

## Get working molds on demand

```
(function ($) { $(document).ready(function() { $(".image_container  
img").click(function(){ $(".node-detail-news-albums-1:first").click(); }); $(".node-detail-news-  
albums-1").colorbox({rel:'group1', transition:"none", width:"75%", height:"75%"}); }); }(jQuery ));
```

### Dear customers!

Today, technology development led to the product being made not only of high quality but beautiful, delicate and more importantly very competitive price. From that base molds, plastic injection molds we born to meet those needs, with over 10 years experience in casting molds, molding plastics processing ... With precision CNC milling machine from Japan, milling, turning, engineers, skilled workers will make the product exactly to the millimeter. With the aim of expanding the customer base of molds, plastic injection molds getting done:

- **Design - manufacturing of mold (plastic molding, casting, stamping, rubber, blow mold). - The processing of precision molds on CNC milling machines from Japan.**
- **Processing of plastic products, aluminum, copper ....**
- **Pressing, stamping processing for customers with existing mold.**
